

**Town of Lincoln, Kewaunee County**  
**Plan Commission Meeting, Wednesday, November 18<sup>th</sup>, 2015**

Mick Sagrillo called the meeting to order at 7:00pm. Others present were Paul Wallace, Jesse Jerabek, Jodi Parins, Joe Jerabek, and Don Niles. Minutes will be taken by Mary Ann Salmon.

1. Sagrillo drafted a letter of support only for Dr. John Luczaj grant application, but PC is not in favor of financial support. Due to the need for timely turnaround, Sagrillo was not able to circulate the letter to PC members for signatures; copy was emailed to members for their files.

3. Reviewed suggested language changes to Section 9-Signs, 9.6 Specific Zoning District Requirements; editing to continue next meeting. May need to get help from lawyer and Brandon Robinson regarding Zoning Ordinance language: non-compliance on previous permit / not listed-not allowed.
4. Reviewed updated information to gather/provide/edit for the Comprehensive Plan for Jeff Sanders meeting.
5. Discussed updates on the DNR work groups.
6. Next Planning Commission meeting will be December 2, 2015 at 7:00pm.
