

Are High Energy Costs Getting You Down?

Energy Services for Kewaunee County may be able to help!

- Households that pay heating costs directly to a fuel or utility company and have an active utility account. Households whose heating costs are included in their rent, may qualify.
- Students enrolled at least part time have additional eligibility requirements. Please contact us for more information
- Households whose total gross income for the three months immediately preceding the month of application are at or below the amount shown for your family size:

Who may qualify for Home Energy Assistance

Grant amounts and payments

Grants are determined based on energy costs, household size, income, dwelling type, etc. Households who pay their energy costs to a utility or fuel company will have a payment check sent to their company.

Home weatherization

You may also qualify for free home weatherization. Ask for more information during your appointment.

Homebound?

For those with fixed incomes or disabilities, it may be possible to mail you an application and we can assist you by phone. If you are unable to make it to an application site due to a physical disability or special hardship, call ESI and an energy assistance worker can visit your home.
