

Things to Avoid

- Items **NOT** to place in recycling •

Plastic bags	Sharps	Yuck	Tanglers	Textiles
				
Plastic bags, film and wrap are the #1 contaminant . Keep recyclables loose in the bin and take plastic bags back to store drop-offs. See below.	Needles, lancets and syringes are the #1 safety concern for sorting staff. Do not throw sharps in recycling or trash. Visit: dnr.wi.gov and search "Sharps Collections".	Liquids, food and trash contaminate good recyclables. Empty and rinse containers; compost food scraps and throw trash in the garbage.	Cords, chains and wires wrap around sorting equipment creating unnecessary maintenance. Take these items to e-waste collectors or scrap metal dealers.	Clothing, towels and bedding wrap around sorting equipment creating unnecessary maintenance. Donate textiles, or if wet and moldy, throw them in the garbage.

Plastic Film and Wrap: Recycle it at participating stores, **NOT** in your curbside recycling

Other items **NOT** to place in recycling include: Holiday Lights and Hoses
When in doubt, throw it out!

- Items **NOT** allowed in the garbage can •

We will provide details for proper disposal

Garbage & Recycling Roadside Pickup Service Guide

Options are available for drive in service.

Service Day Instructions

- Place your trash can and recycling bin at the curb with the wheels facing your house and the lid opening facing the street. **Lid must be closed for service.**
- Keep your garbage cans three feet apart and 10 feet from any obstacles such as mailboxes, cars, lamp posts, or power lines.

Follow the instructions above for cart placement on service days.

Have your cart(s) on the curb by 6am on service days.

KEEP LIDS CLOSED AT ALL TIMES.

Please call us at 920-854-2114 with any questions.
